equal means equal why pdf - I agree. This is what I am doing. But it is not standard practice. On page 12 of my book I quote Glencoe Geometry (published by McGraw Hill) and have to put in square brackets [he means equal] because the author is saying that two equal numbers are congruent. In fact, I am not aware that the word "equal" appears anywhere in this 973-page monstrosity - the author just makes wholesale use of the ...

Why is "congruent" but never "equal" used in geometry? - The film we've been waiting for! (Purchase on iTunes) Equal Means Equal, the powerful 2016 documentary on the legal and cultural status of women in the United States today, presents a compelling argument for ratification of the Equal Rights Amendment.. Director Kamala Lopez shows how outdated and discriminatory attitudes about women and the inadequacy of present laws that claim to protect them ...

Equal Rights Amendment - ERA: Home - The Equal Protection Clause is part of the Fourteenth Amendment to the United States Constitution. The clause, which took effect in 1868, provides that no state shall deny to any person within its jurisdiction "the equal protection of the laws".. A primary motivation for this clause was to validate the equality provisions contained in the Civil Rights Act of 1866, which guaranteed that all ...
