reason freedom and democracy
pdf - No consensus exists on how
to define democracy, but legal
equality, political freedom and
rule of law have been identified
as important characteristics.
These principles are reflected in
all eligible citizens being equal
before the law and having equal
access to legislative processes.
[citation needed] For example, in
a representative democracy, every
vote has equal weight, no

rule by the people. The name is
used for different forms of
government, where the people
can take part in the decisions that
affect the way their community is
run. In modern times, there are
different ways this can be done:
The people meet to decide about
new laws, and changes to existing
ones. This is usually called direct
democracy. ... Sat, 17 Mar 2018
