Civilization V is a turn-based  
strategy game, where each player  
represents the leader of a certain  
nation or ethnic group  
("civilization") and must guide its  
growth over the course of  
thousands of years. It starts with  
the founding of a small settlement  
and ends after achieving one of  
the victory conditions  
surviving until the number of  
game turns end, at which point  
the highest-scoring ...
